

# GO Green Digital Receipts

Save millions of trees and gallons of oil and water annually.

## THE FUTURE IS GREEN

Whether your merchants are considering a change for environmental or financial reasons, digital receipts are the way forward for today's business owners. They are secure, always available, a great marketing tool, and a money saver.

to learn more.

### Embrace Sustainability

You can help your merchants break the cycle of waste with the iPOSpays' GO Green e-receipt option. Merchants can send e-receipts to their customers via text or email reducing paper usage by 50%.

### Convenience

E-receipts mean customers no longer have to worry about losing paper receipts. Merchants can also send receipts directly to their customers via SMS message.

### Make More Money

Digital receipts give retailers an easy way to grow email lists and gather customer data at the transaction level. They can also deliver unique offers, loyalty points, and more.

### The Benefits of Going Green

Never worry about running out of receipt paper. Digital receipts can't be lost because they are emailed directly to your customers.

## Have questions or need help?

A dedicated team member will be with you every step of the way.
