

Join the Dejavoo Connect Tour.

First stop > Los Angeles.

Starting in Los Angeles and heading east, Dejavoo Connect brings partners together to learn, collaborate, and unlock new opportunities in payments. During these special events, the Dejavoo team will explore:

- The latest innovations from Dejavoo
- Key trends impacting merchants and payment providers
- Opportunities for ISOs and ISVs to grow revenue and expand their solutions
- Technology designed to simplify operations and improve checkout experiences

Gain valuable insight into how Dejavoo payment technology works in the real world, from invited guests who will explain how our software has changed the way they do business.

Whether you're an ISO seeking to enhance merchant offerings or an ISV looking to integrate with powerful payment technology, Dejavoo Connect provides a unique opportunity to learn, connect, and grow.

“

Grab this amazing opportunity to meet in an intimate setting, where you will have the chance to learn about all our products and solutions, and meet some of our ISVs and VARs.
